Building Fundamentals: Put into Practice

2015 BC Building Envelope Council Conference & AGM

Wednesday, September 23, 2015
Fairmont Hotel Vancouver
900 West Georgia Street, Vancouver, BC

BCBEC invites you to join us this September for our annual one-day symposium. Be part of the conversation on building envelope fundamentals, new technologies, and research results.

This year we examine how fundamentals in the building envelope industry are put into practice. Explore new and existing technologies, the legislated *Building Act* and case studies from a range of areas, including building energy requirements, below grade construction, spray foam insulation and the living building challenge.

Visit the BCBEC website for more information and sponsorship opportunities.

Event eligible for Continuing Education credits.
